Jenkins, Flavin, Will, Kenney, Matthews, Adelmann, and Father O'Connor hold an informal class in preparation for the NROTC exam.

Informals

Brawny St. James seniors bare their chests for the scanning eye of the X-Ray.

Left: Francis Carbine accompanies the Glee Club at rehearsal. He has played at the Minstrel, Musical, and Assemblies. Francis has recently been playing the organ at weekly masses.

Below, right: Anthony Springel will look at the birdie but he won't smile.

Seniors looking very energetic as they prepare for class pictures.

CURRICULUM

Mathematics

Father Friel has a tough assignment in explaining what Francis King is drawing. Maybe he had better start over.

Skeptical, are you? So was Jim Gillespie until Father Eltz assured him the answer was correct in this sophomore algebra class.

Do it on the slide rule! Father Bednar stays out of the picture and lets Joe Billingsley and Ed Nolan sweat out the problems alone.

No, this is not Biology. It is just Fr. Miklosovic's way of making junior French more interesting.
